On the left, there is a sidebar menu with the following sections: OFFICE OF VITAL RECORDS (with links for Certificates and Records, About OVR, Register a record, OVR contacts, County Office Contact Information, and Vital Records Rulemaking); BIRTH RECORDS (with links for Birth certificates, Noncertified birth records, Change a birth record, Birth records and adoption, Birth records and paternity, and Stillbirth); DEATH RECORDS (with links for Death certificates, Death verifications, Noncertified death records, and Change a death record); FOR PROFESSIONALS (with links for Medical certifiers, Funeral directors, Hospital birth registrars, County vital records offices (circled in red), Child support workers, and Training for Vital Records Professionals); and RELATED INFORMATION. The main content area includes a sub-header "About the Office of Vital Records" with an image of hands, a paragraph describing the office's role, a list of services and certificates, and a notice about REAL ID enforcement.

Make it easily accessible: Once you click on the County vital records offices link, bookmark it by typing Ctrl-D, naming the bookmark, and saving it on your bookmarks toolbar.
