Identifying Environmental Wells/Temporary Borings and Determining Administrative Requirements

Is the well or boring greater than or equal to 15 feet in depth and used to:

- Monitor groundwater quality,
- Lower groundwater to control or remove contamination in groundwater, or
- Monitor or measure water levels, earth or earth properties, or for vapor recovery or venting?

The well or boring is not an environmental well or temporary boring.

The Well or Boring is an Environmental Well Is a notification and record required?

	Notification or Record	Required
	Construction Notification (\$275 per Site)**	Yes
	Construction Record	Yes
•	Sealing Notification (\$75 per Environmental Well)	Yes
	Sealing Record	Yes

Yes		Construction Notification (\$275 per Site)**
	1	Construction Record
Will the well or boring be sealed within 72 hours of construction?	No No	Sealing Notification (\$75 per Environmental We
		Sealing Record

A maintenance permit is required for an environmental well that is not sealed within 14 months after construction. The annual maintenance permit fee is \$175 per site.

**An environmental well site includes all of the environmental wells on a single property. A single property is considered one tax parcel or multiple contiguous parcels with the same owner.

The Well or Boring is a Temporary Boring Is a notification and record required?

Notification or Record	Temporary Boring is Greater Than or Equal to 25 Feet in Depth	Temporary Boring is Less Than 25 Feet in Depth
Construction Notification	No	No
Construction Record	No	No
Sealing Notification (\$75 per Site)*	Yes	No
Sealing Record*	Yes	Yes

Well Management Section 625 North Robert Street P.O. Box 64975 St. Paul, Minnesota 55164-0975 651-201-4600 or 800-383-9808 health.wells@state.mn.us www.health.state.mn.us/wells

Note: Local delegated well programs with environmental well authority are Dakota, Olmsted, and Winona counties and the cities of Bloomington and Minneapolis.

^{*}Multiple temporary borings on a single site can be recorded on a single sealing notification and/or a single sealing record.
