### **General Information / Disclaimers**

#### • Special Needs Basic Care

Special Needs Basic Care (SNBC) is a voluntary managed care program for people with disabilities who are 18-64 years old and have Medical Assistance

- Special Needs Plan (SNP) The plan integrates and provides both Medicaid and Medicare services.
- Non-Special Needs Plan (Non-SNP) The plan provides Medicaid services only and Medicare is provided fee for service.

#### Audit Designation & Rate Status

HEDIS Compliance Audits result in audited rates or calculations at the measure and indicator level, and indicate if the measures can be publicly reported. All measures selected for public reporting must have a final, audited result. The auditor approves the rate or report status of each measure and survey included in the audit, as shown below.

| Rate/<br>Result | Comment  |
|-----------------|--|
| R               | Reportable. A reportable rate was submitted for the measure.   |
| NA              | Small Denominator. The organization followed the specifications, but the denominator was too small (<1) to report a valid rate. a. For EOC and EOC-like measures, when the denominator is fewer than 30; and for HAI, when Total Inpatient Discharges is fewer than 30. b. For utilization measures that count member months, when the denominator is fewer than 360 member months. c. For all risk-adjusted utilization measures, except PCR and HPC, when the denominator is fewer than 150. |
| NB              | No Benefit. The organization did not offer the health benefit required by the measure (e.g., mental health, chemical dependency).  |
| NR              | Not Reported . The organization chose not to report the measure.   |
| NQ              | Not Required. The organization was not required to report the measure.   |
| BR              | Biased Rate. The calculated rate was materially biased.  |
| UN              | Unaudited. The organization chose to report a measure that is not required to be audited. This result applies only to a limited set of measures (e.g., Board Certification, ECDS measures).  |
