Welcome and Introduction

Co-Designed By:

- Minnesota Department of Health (MDH)
- Stratis Health
- Assisted Living and Home Care Providers

Purpose

- Support regulatory compliance
- Reduce confusion
- Prevent costly mistakes
- Improve understanding of licensing and compliance expectations

By the end of this session, participants will:

- Explain the importance of a facility-specific evacuation plan in emergency preparedness.
- Navigate the FSEP Resource and identify information needed to complete each section.
- Utilize the FSEP Resource to guide the development of a comprehensive evacuation plan for their organization.

Important Note

This material was prepared by Stratis Health under contract with the Minnesota Department of Health (MDH).

Use of this tool is not mandated by MDH, nor does its completion ensure regulatory compliance.

Providers remain responsible for meeting all applicable statutory and regulatory requirements.
